## **Team Uniform Information**

Team managers this year will continue to take steps to standardize the appearance of our swimmers. This is important because it aids in the recognition of our swimmers, especially during league meets.

## **Uniform Regulations**

- Parents will be asked to purchase swim caps from the team during the first week of practice. Swimmers are asked to wear these caps during meets.
- We are currently negotiating with swim apparel companies in an attempt to provide better options for apparel for the team. Additional information regarding this process will be available in a few weeks.
- Adult and youth size team t-shirts will be available for purchase this year. An order form for t-shirts is attached with this packet
