Check-In

- All check-ins, registration, and timing chip pickup held on Friday and Saturday will be done at the SportsCenter front desk
- After check-in and/or chip pick up, make your way over to transition near Sunny Lane (rocky area across from outdoor pool).
- Arrive at least 45 minutes before your race time start to check in and set up in transition.

Parking - Parking will take place between 3 lots.

- **SportsCenter** - From the Performance Zone to the Mandy Lane entrance
- **Lucas Building** – All spots available
- **Excel Learning Center 3** – Across from the SportsCenter
- **DO NOT PARK IN THE GRASS FOR ANY OF THE PROPERTIES**

Transition Area

- There will be no specific positions assigned on the bike racks due to the wide variety of bike racks; however, age groups will be grouped together by colored stickers (12-15 **Red**) (9-11 **Blue**) (5-8 **Green**).
- Participants are asked to use only the right side of their bike to set up transition. For example, if you are facing your bike on the rack, place your towel, shoes, helmet, etc. to the right of the front wheel.
- At the start of the bike portion of the race, participants will have to walk/run their bike past the mount line before getting on their bike. At the bike finish, participants will have to dismount at the same place and run/walk their bikes into transition.
- Helmets must be fastened before leaving transition.
- No headphones of any sort will be allowed.
- All handlebar ends must be plugged or covered.
