Notes:

- (1) We are trying a new schedule format for the fall season with the goal of better serving our members. We are asking members to provide comments and feedback during this period. We will make changes as necessary.
- (2) We strive to maintain at least one lap lane available for lap swim during scheduled events. Please see an associate or a swim coach on deck if you have difficulty obtaining space to swim. We will do our best to accommodate you.
- (3) Special events such as swim meets are not included in this document and will be released when necessary.
- (4) Masters Swim is intended to be a member driven swim program. Please see the desk for information on how to get involved.
