SUNDAYS IN JULY

Adaptive Aquatics

Our Program

This will be a parent/child program on Sunday afternoons. Instructors, parents, and swimmers will be in the water. We will work together to build water safety and stroke technique. Our goal is to help push each swimmer to maximize their potential. Our instructors have experience working with individuals who have limited communication, social skills and more. We are excited to help all swimmers enjoy the water. Scholarships are available please reach out to Mikaela at mikaela@sportscentermorehead.com if you need financial assistance to participate.

Schedule

July 10, 17, 24, 31st

Adults/High School Students-- 2:00-2:50pm

Grades K-4--- 3:00-3:50pm

Grades 5-8--- 4:00-4:50pm

Parents should be prepared to get in the water for all classes. For the adult/high school group we may not require parents after we assess everyone's skill level.
